

ZEGO 300

The Zego 300 is a unique one-man fishing boat that is completely at home on inland rivers, waterways, lakes, harbours or at sea. With easy access, the front bow platform allows you to stand up and fish with enjoyment and confidence. The design offers incredible stability and sea keeping abilities, resulting in the most comfortable ride in its class.

FEATURES

VERSATILE

Incredible stability and shallow draft - an excellent multi-purpose platform.

STABLE

Low centre of gravity. Twin hulls. 5 foot beam (1.75m)

LIGHTWEIGHT

Approx 250kgs including engine. Easily launched and recovered by one adult.

DURABLE

Polyethylene construction. Resistant to salt, weather, punctures and de-lamination.

FUN

Designed for loads of fun zipping across calm water or pushing your way through breakers.

3 YEAR WARRANTY

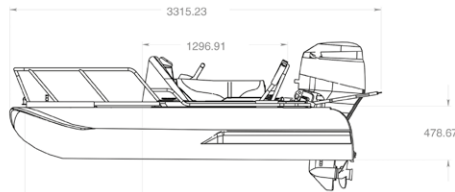

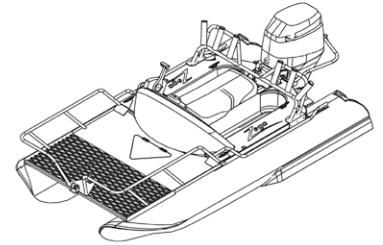

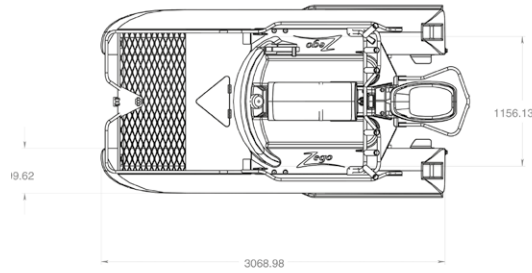

Limited 3-year warranty for personal use.
